New Series for Adult Bible Community

Sundays | 9:15 am

On January 11, Jim Howell's ABC Group will begin a new series entitled *Called by Christ, Changed by Grace – A Study on the Twelve Disciples*. Jesus did not choose perfect men to follow Him – He chose ordinary ones. Fishermen, a tax collector, and a political zealot were called by Christ and transformed by grace. Their weaknesses, doubts, and failures are honestly preserved in Scripture, reminding us that God's work is accomplished through His power, not human perfection. In this short study, we will take a closer look at the twelve disciples as real people with real struggles and growing faith. As we examine how Jesus patiently shaped and used them, we will better understand our own calling as followers of Christ. If God could accomplish His purposes through ordinary people like these, imagine what He can do through us today.
